Thank You For Downloading This Online Candidate Canva Logo Template

Twitter Post Template

Access This Template

To customize your Canva template:

- You must have a **Canva account** [aff]; It is FREE.
- Click on the template link above. You will be brought to a page for each template that looks something like this:

A template created by Online Candidate was shared with you, start designing now

1024px × 512px

Use template

The page displays a template preview along with a button that says "*Use Template*". Simply click that button to start editing the template in Canva. Before you start, you might want to make a copy under the File section so that you can save an original version to your Canva account.

- Edit any or all elements, colors and add your logo to customize to your needs.
- Photos included in the template are meant to be swapped out with your own.
- Templates are meant to be edited on a desktop or laptop, and NOT through on a mobile device.
- You can download your final product using the 'down arrow' icon in the right top navigation as an image or as a printable PDF file. You can have your own print service create copies from your PDF or order copies directly through **Canva Print**.
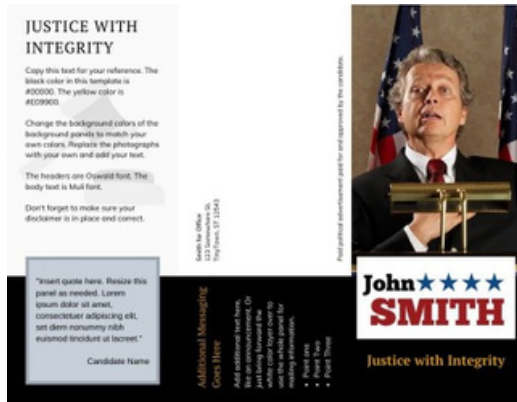

Happy Creating!
